FBBA welcomes new Assistant Principal Will Mathews

July 28, 2009

Fort Bend Baptist Academy is pleased to announce the selection of Will Mathews as the new assistant principal at the high school campus. The following is a brief introduction for FBBA families from Mr. Mathews:

One of the greatest joys of my professional life is to see students accomplish great things, often things they never thought possible. When applied to Christian Education, it is humbling to see students accomplish great things for Christ and to be there when they realize their strength is not enough and they learn to lean on God. Learning how to put aside self and allow God to do great things through us is one of the greatest lessons of the Christian life and Christian education.

My name is Will Mathews and I will be serving as the High School Assistant Principal at Fort Bend Baptist Academy. I have been married to my beautiful wife, Susan, for over 15 years. Susan is a talented choral director with a passion for music and Jesus Christ. She is also a fantastic wife and mother. We have three boys that keep us very busy but fill our lives with so much joy. Jake is twelve and will be entering the eighth grade. Jake enjoys academic pursuits, video games, and praise and worship music. Lincoln is nine and moving into the fourth grade. Lincoln is an athlete through and through and has told me, "When I am running I just feel so alive." Lincoln enjoys soccer, swimming and making people smile. Adam is seven and will be going into the second grade. Adam is our family comedian but also has a great ear for music and loves to sing. We all enjoy spending family time together playing video games, fishing, swimming and taking family trips. We are excited about this new adventure at FBBA.

I began my career in education as a mental health counselor at a school for emotionally disturbed students. I had earned my psychology degree from Florida State University and was anxious to put it to work with designs on becoming a marriage and family therapist. After four years of working with such a challenging population, I felt God leading me in another direction and returned to school at Florida State to earn my masters degree in physical education with an emphasis on athletic administration.

After some time in Nashville, TN working in sales, our family moved home to Florida in 2002 where I was able to return to my calling, education. After teaching four years at Johnson Middle School, I was offered my first administrative position at Merritt Island Christian School where I have been serving for the past two years as the Secondary Assistant Principal. I am currently enrolled in the Educational Specialist program through Liberty University and plan to move on from there to pursue my doctorate degree.

I am very excited about the opportunity God has given me, and my family, to be a part of FBBA. We look forward to seeing what God will do in and through us as we make the move from Florida to Texas. God is good.

Fort Bend Baptist Academy is celebrating 23 years of glorifying God through excellence in Christian education. Located on a 35-acre campus in the heart of Sugar Land, the school numbers over 820 students in Grades PK-12. For more information on FBBA, visit www.fbba.org.
